Accommodation

We know that having your own private space in the bustling city of Bangkok is a luxury. At Sivatel Bangkok, let us enhance your experience with an oasis-like escape in our exclusive accommodation. All of our suites are extra spacious with generous living, dining and relaxing areas; featuring open-plan designs and full-length windows to give you an unconfined feel and amazing views in every direction.

Our in-room facilities include everything you would expect to make your stay as hassle-free as possible. We have selected only the best for you, from first-class cozy linen to eco-friendly toothpaste, ensuring maximum comfort and convenience in your home-away-from-home. Our rooms are well-equipped with integrated smart entertainment system and high-speed LAN and Wi-Fi connectivity, all free-of-charge. Complimentary Wi-Fi is also available in public areas throughout the hotel premises, ensuring you will always be connected.

Suites are available in different configurations, each with something a little extra: corner bathtubs, walk-in closets, lazy chairs and pillows with interchangeable designs. Some of our residences offer a 180-degree view of the urban skyline, while others come with a private, open-air balcony, where you can enjoy the glowing allure of the Bangkok cityscape at night. Better yet, our Suite is big enough for the whole family and includes your own outdoor private terrace, giving you the unique experience of a home on a high-rise. No matter what you are looking for, Sivatel Bangkok is sure to have something to offer.
